This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Complaint of South Electric & Gas Company (“SCE&G”) against DataComm Services, LLC d/b/a DCS Energy (“DCS Energy”). In a letter dated September 28, 2011, DCS Energy states that it does not have the resources to litigate the complaint filed by SCE&G and that it would take actions to resolve the complaint. SCE&G has consented to the DCS Energy resolution and considers this matter resolved. Therefore, we find the complaint filed by SCE&G to be moot and hold that the Complaint against DCS Energy is dismissed without prejudice.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

John E. Howard, Chairman

ATTEST:

David A. Wright, Vice Chairman
